

Association of Indian Neurologists in America

2024 Sponsorship Levels Epilepsy Chapter Meeting

The AINA Epilepsy Chapter Meeting will be held in Los Angeles, CA on Sunday, December 8, 2024. The chapter meeting typically has 56-60 attendees. The Epilepsy Chapter Chairs are Dr. Ram Sankaraneni and Dr. Arun Antony. The mission of AINA is to advance patient care, teaching and research of neurological disorders in the USA, India and other countries with neurologists of Indian origin by:

- Advancing the training of neurologists in the management of neurological disorders.
- Promoting research and innovations in the field of neurology.
- Recognizing the contributions of individuals who advance the field of neurology.
- Networking with other neurological and scientific organizations.

Thank you for your consideration to support AINA and this important event!
