ASSESSMENT
CREDITS

CE.MAYO.EDU/NEUROLOGY2018

COURSE HIGHLIGHTS

- Review and update of recent advances in the diagnosis and treatment of common neurological problems
- Intensive, practical review with an emphasis on evidence-based approaches to everyday problems that span the realm of neurology
- Clinical case discussions, video case presentations, didactic lecture, and question and answer sessions to engage attendees
- Optional American Board of Psychiatry and Neurology Self-Assessment Activity awarding MOC credits
- Recent updates are discussed using a case-based format

TARGET AUDIENCE

This course is designed for neurologists, general internists, family physicians, and allied health personnel who treat patients with neurologic problems.

LEARNING OBJECTIVES

For a complete list of objectives, visit the conference webpage.

COURSE DIRECTOR

Neeraj Kumar, M.D.
